on the side of the Poor and the Oppressed**

**Resolution of the Executive Committee of the WPC held in Kathmandu on 9-10 November 2024**

The World Peace Council expresses its full solidarity with the Lebanese people and the Lebanese Committee for Peace and Solidarity.

We strongly condemn the brutal Israeli aggression against Lebanon conducted under full support of NATO governments and other reactionary forces.

We firmly oppose the planned destruction of Lebanese towns, especially in the South aiming to forcefully displace 1.5 million residents, as well as the murderous massacres.

We denounce the aerial bombings, assassinations and the land invasion. We particularly support the right of people to resist occupation and defend their sovereignty.

We hereby express our internationalist solidarity with the struggles against imperialism, capitalist exploitation and sectarian divisions in Lebanon and the region.
